Micro Data Cable 1m Joyroom S-1030M8 (black)

Joyroom USB Micro Data 1m cable S-1030M8 (black)

The Joyroom cable will allow you to charge your devices in just a few moments. It offers 2.4A charging, so it won't take you long to renew your energy. It's made of more than durable TPE material, which is resistant to stretching and bending - so you can be sure that it will serve you for a long time. Its tip has been additionally reinforced, so you don't have to worry about breaking the cable. What's more, it has a gentle illumination of the connector, which will make it easier for you to connect your phone for charging in the dark.
