Charging Cable USB-A Lightning 1.5m Joyroom S-1530N1 (black)

Lightning cable 1.5m Joyroom S-1530N1 (black)

Don't waste time waiting for your device to be ready for use again. The cable offers charging with up to 3 amps of current, and also allows data transfer. It ensures safe use, and its 1.5m length will increase your freedom of use. Robust and durable construction ensures that the product will serve you well for a long time.

Fast and safe charging

With the Joyroom cable, charging your smartphone will take just a moment. The product allows you to charge your devices quickly thanks to its maximum capacity of 3 A. It is also equipped with a smart chip that automatically recognizes the connected device and adjusts the charging current to it. Thanks to this solution, you don't have to worry that your device will be damaged.

Carefully thought-out design

The accessory will delight you with its robust design. Thanks to the reinforced tip, breaking the cable is almost impossible. Meanwhile, the dense nylon braid effectively protects against mechanical damage, and also prevents tangling.
