Cable Prism USB Type-C 66W 1.2m Joyroom S-AC066A16 (black)

Prism USB / USB-C 66W 1.2m cable from Joyroom S-AC066A16 (black)

The Prism cable from Joyroom will allow you to renew the power in your device of choice in just a few moments! It offers fast charging with a maximum power of up to 66W, so it won't take you long to charge your phone or tablet. With its help, you will restore energy in many popular devices that are equipped with a USB-C port. The nylon braid provides effective protection against minor mechanical damage - and you don't have to worry about breakage. The cable also has a small display that provides real-time information about the charging power.
