Cable USB-C 100W 1.2m Joyroom S-CC100A4 (black)

Ref: 6956116731137

Cable USB-C 100W 1.2m Joyroom S-CC100A4 (black)

Joyroom S-CC100A4 USB-C to USB-C 100W 1.2m cable (black)
The Joyroom S-CC100A4 cable allows you to quickly charge your devices while keeping them safe. It also allows you to transfer files at 480 Mbps and works with multiple devices. In addition, the solid workmanship translates into a longer product life.

Charge your device and transfer files
With the cable, you'll renew your device's power in no time - the product uses 100 watts of power, so you don't have to wait too long until it's ready to work again. What's more, it allows you to transfer files at 480 Mbps, so you can quickly copy photos, videos, documents or presentations.

Wide compatibility
Don't worry about compatibility issues. The Joyroom S-CC100A4 features a USB-C to USB-C interface and built-in chip and works with laptops, smartphones, tablets and powerbanks from popular brands.

Thoughtful design
The cable is equipped with a digital display that allows you to monitor charging power in real time. What's more, the built-in chip prevents overheating and overcharging by intelligently adjusting the amperage to the connected device. In addition, the gold-plated

connectors are resistant to oxidation, and the nylon braid protects the cable from breaking.
