Prism Lightning 1.2m USB Type C cable Joyroom S-CL020A16 (black)
The Joyroom S-CL020A16 USB-C cable charges your device with 20 watts of power and allows you to transfer files at 480 Mbps at the same time. The LED display will let you know the charging power, so you can monitor the entire process. The nylon braided cable, on the other hand, provides durability and resistance to mechanical damage. In addition, a built-in chip protects the device from overheating and controls the charging current and voltage.
