Wireless Earphones TWS Pisen LV08JL (white)

TWS Pisen LV08JL Wireless Headphones (white)

Enjoy your favorite music in a new way. The Pisen LV08JL headphones offer high sound quality and reliable connectivity thanks to Bluetooth 5.0. CVC 8.0 noise cancellation allows you to hear what you want to hear, and the durable batteries ensure long runtime. What's more, the headphones are IPX7 water resistant and feature an ergonomic design, so you don't have to worry about discomfort during prolonged use of the Pisen LV08JL.

Stable connection

The Pisen LV08JL headphones connect to your device via Bluetooth version 5.0, providing a lossless signal up to 15 meters and a stable connection without interference. In addition, you don't have to worry about lag and enjoy better audio and video synchronization. The headphones, therefore, are great for watching movies or gaming.

Noise reduction

Do you talk on the phone, but the surrounding noise disturbs you? With the Pisen LV08JL, these and similar problems are a thing of the past. The headphones use CVC 8.0 noise cancellation, so you can focus on what's important to you.

High quality sound

Listen to music and enjoy high-quality sound. The headphones are equipped with 6mm dynamic drivers and a composite diaphragm, allowing you to discover previously unrecognized details of your favorite songs. In addition, it supports AAC and SBC audio codecs and supports an equalizer, so you can adjust the sound to your expectations.

Convenient operation

The Pisen LV08JL wireless headphones automatically connect to your device after initial pairing, and you'll have no trouble operating them. You can use the touch panels to adjust the volume, skip songs, stop/resume playback or launch the voice assistant. What's more, each headphone connects to the device independently, allowing you to share music with a loved one.

Water-resistant, ergonomic

The Pisen LV08JL are IPX7 water-resistant, so you can successfully take them to your workout. What's more, they are distinguished by their ergonomic design, so you can wear them for a long time without feeling tired. In addition, the included overlays in 3 sizes (S/M/L) will allow you to customize the headphones even further.
