Surpass to USB-A / Lightning / 3m Joyroom USB cable S-UL012A11 (white).

Charging your iPhone has never been faster. The Surpass Joyroom cable will let you charge your smartphone in a matter of moments with fast PD charging with up to 20 watts of power. It allows simultaneous charging and data transmission, and also ensures safety. The 3m long cable will give you the freedom of use you dream of.

Fast and safe charging

Looking for a cable that will allow you to charge your iPhone in no time? Surpass cable comes to the rescue! It offers fast Power Delivery charging with a maximum power of 20 watts. This means that in just 30 minutes you will renew the energy in your iPhone 14 Pro up to 65%! You don't have to worry about security, either. The intelligent system slows down the charging of your device when its charge level reaches 80%. This reliably protects against overcharging and overheating!
