Ref: 6941237196361

Cable to USB-A / Lightning / 2.4A / 1.2m Joyroom S-UL012A12 (black)

Cable for USB-A / Lightning / 2.4A / 1.2m Joyroom S-UL012A12 (black)

Charge your iPhone with up to 2.4A and transfer files at up to 480 Mbps. The Joyroom S-UL012A12 cable will allow you to renew your phone's power in a very short time, while ensuring the safety of use. The product also features high durability and is fully compatible with Apple-branded devices.

Fast charging, fast data transfer

Are you in a hurry and your phone is close to discharging? No worries - the Joyroom cable provides up to 2.4 A, which means you'll be able to charge your chosen equipment in no time. The product also allows you to transfer files at speeds of up to 480 Mbps. No more waiting too long for your photos or documents to get where you want them!

High quality workmanship

The Joyroom cable will serve you brilliantly for many years. The nylon braid protects it from damage, and the gold-plated connectors feature durability and wear resistance. The product is also equipped with a smart chip that prevents it from overheating. In addition, the included Velcro fastener makes it easy to store the cable.

Compatibility

Don't be afraid of compatibility issues or pop-ups with error messages. The Joyroom cable allows you to seamlessly charge most iPhone and AirPods models, as well as iPads equipped with a lightning port. Charge your devices quickly and safely!
