

Cable to Micro USB-A / 2.4A / 1.2m Joyroom S-UM018A10 (black)

Ref: 6956116769185

Cable to Micro USB-A / 2.4A / 1.2m Joyroom S-UM018A10 (black)

Cable to Micro USB-A / 2.4A / 1.2m Joyroom S-UM018A10 (black)

Ensure safe and fast charging of your devices. The Joyroom cable supports fast charging and transmits current at 2.4A. It is extremely durable and resistant to wear and tear, and its ends have been further reinforced, so the cable's lifespan is significantly extended. The product allows data transmission at 480 Mbps.

Convenient charging and data transmission

The cable guarantees instant and safe charging of devices at 2.4 A. It also supports data transfer function. You can simultaneously top up your phone's power and rip files at speeds of up to 480 Mbps. Don't waste time waiting and enjoy the reliable performance of the Joyroom cable.

Solid performance

The S-UM018A10 is distinguished by its sturdy construction, with aluminum alloy used in its construction. The USB connector has been reinforced, making it extremely resistant to damage. What's more, the ends are very flexible and have been visibly thickened, so they will endure any bending, twisting, etc. The entire cable has a nylon braid, which further improves its resistance to pulling and tangling. All this makes the Joyroom cable a purchase that will last for years!
