TWS Foneng BL109 wireless headphones (black)

Want to enjoy great sound while listening to music? With the BL109 this will be possible! They will provide a stable and wireless Bluetooth 5.1 connection. Moreover, you will be able to listen to your favourite songs for up to 12 hours! With Foneng you can forget about limits.

Wireless playback

Don't want to be limited by weeping cables? With the BL109 you can forget about this problem, as they use a Bluetooth 5.1 wireless connection. This guarantees a fast and stable connection, as well as crystal clear sound. What's more, thanks to their compact size, they will be very comfortable to use.

Long operating time

The NL109 wireless headphones are equipped with a large Li-on battery that provides a runtime of up to 5 hours! What's more, you can extend it up to 12 hours thanks to the case included in the set. You can charge it easily with a USB-C cable in just 2 hours! With Foneng, nothing will limit you!
