Ref: 6970462517511

Portable Bluetooth 5.0 speaker Foneng BL15 8W, LED, 4000mAh

Portable Bluetooth 5.0 speaker Foneng BL15 8W, LED, 4000mAh

Ensure an unforgettable atmosphere at your next party. The Foneng BL15 wireless Bluetooth speaker provides high quality sound and features colorful LED backlighting. It is equipped with a 4,000mAh battery, which allows it to last up to 5 hours. It can also act as a powerbank. The device supports Bluetooth 5.0, USB drives and SD cards.

Impressive sound

A barbecue with friends, a birthday party, or maybe a house party? The Foneng BL15 speaker will work well in almost any situation. The device boasts 8W of power and is designed to deliver richly detailed, delightful sound, ear-pleasing treble and powerful bass.

Various options for music playback

The speaker connects to your devices wirelessly. You can easily pair it with your smartphone! Bluetooth 5.0 technology ensures stable, reliable transmission and immunity to interference - forget about signal problems. The device also allows you to play songs stored on an SD card or USB drive.

Powerful battery

The capacity of the speaker's battery is as much as 4000 mAh. This allows the device to work for up to 5 hours! Don't be afraid that it will

discharge too quickly and spoil your fun. The BL15 speaker will also work well as a powerbank - for example, you can use it to charge your phone.

Original design

Do you appreciate original design of the devices you use? BL15 speaker will certainly appeal to you! It is distinguished by colorful, dynamic LED backlighting, which gives it a unique character. You can also choose from 12 lighting modes. Check out all the options and find the best setting for you!
