Foneng BL34 wireless neckband headphones (black)

Looking for headphones that will allow you to listen to music comfortably during your workouts? Foneng BL34 will be an excellent choice! They provide great sound quality and are very comfortable. The durable battery guarantees up to 15 hours of use, and the built-in microphone allows you to talk on the phone without any problems. In addition, Bluetooth 5.0 connectivity allows you to enjoy fast, stable transmission.

Up to 15 hours of playback

Listen to music even throughout the day. The headphones are equipped with a powerful battery with a capacity of 220 mAh. Thanks to this, their operating time reaches 15 hours on a single charge! Don't worry that they will drain too quickly and you will lose the ability to listen to your favorite songs during your workout.

Enhanced design

The headphones are designed for people with active lifestyles. They are very light and comfortable, and thanks to their well-thought-out design, they fit perfectly to the shape of your ears and do not fall out of them - even during intense exercise. The product is also very durable and looks great - it is distinguished by its modern, minimalist design. In addition, built-in magnets make it easy to store and use the headphones.

Bluetooth 5.0

You no longer have to worry that due to unwanted delays or interference, listening to music will not be as enjoyable as usual. The headphones support Bluetooth 5.0, so they guarantee a fast and stable connection with a range of up to 10 m. Forget about transmission problems and enjoy your favorite songs!

Delightful sound

Whether you want to listen to your favorite playlists or need to take a call from a friend at work, Foneng headphones will provide you with great sound quality in almost any situation. What's more, the built-in microphone will perfectly register your voice and give you the confidence that your caller will hear you without any problems.
