

Car charger Foneng C15, USB, 4A (grey)

Ref: 6970462516255

Car charger Foneng C15, USB, 4A (grey)

Car charger Foneng C15, USB, 4A (grey)

The Foneng C15 car charger supports fast charging and provides up to 4A. As a result, it will charge your smartphone or tablet in no time. It is equipped with a USB-A port and features wide compatibility. At the same time, it is extremely durable, yet compact.

Fast charging

You no longer have to wait too long for your tablet or phone to be ready for use again. The C15 charger provides up to 4 A and supports such fast charging standards as QC3.0, VOOC, AFC, FCP and SCP. What's more, it intelligently recognizes the connected equipment and automatically adjusts its operation to charge it in the shortest possible time, while protecting its battery from damage.

Improved design

The charger is extremely lightweight and compact - its transportation and storage will not cause you any problem. In addition, its housing is made of high-grade aluminum alloy. This makes the product very durable, resistant to damage and pleasant to the touch. It is also distinguished by a stylish, minimalist design.

Compatibility

You can easily use the charger in most 12-24V vehicles - for example, in cars and even trucks. The C15 is also compatible with most

popular devices such as smartphones, tablets, digital cameras and more. Opt for universal solutions and forget about problems!
