

Car charger kit single USB Foneng C16 (metal)

Ref: 6970462516286

Car charger kit single USB Foneng C16 (metal)

Foneng C16 single USB GSM car charging kit (metal)

Get yourself a car charger that will allow you to charge up to 2 devices in a short time. Foneng C16 is equipped with 2 ports (1x USB-A, 1x USB-C) and supports fast charging. It provides a maximum current of 3 A and guarantees safe use. It is also distinguished by its wide compatibility and high resistance to damage.

Fast charging

Forget about the long wait until your devices are ready to use again. The C16 charger supports such fast charging standards as QC3.0 and PD. It also offers a current of up to 3 A. What's more, it intelligently adjusts its operation according to the requirements of the connected equipment, ensuring maximum efficiency and safety.

Superior build quality

Stock up on a charger that stands out not only for its functionality, but also for its durability and modern design. The C16 was created from high-quality materials, making it highly durable and resistant to damage. It also features a stylish, minimalist design.

Multiple applications

The charger is equipped with 2 ports (USB-A and USB-C), which means you can use it to charge up to 2 devices simultaneously. It is

compatible with devices such as smartphones, tablets, digital cameras and more. It will also work great in most 12-24V vehicles - from cars to trucks.
