Uchwyt magnetyczny na telefon Foneng CP15 (czarny)

Foneng CP15 magnetic phone holder (black)

Foneng CP15 is a magnetic car mount that you can easily attach to your air vents. The use of magnets ensures stability, and the rotating head allows you to adjust the position of your smartphone according to your needs. What's more, it allows you to use your phone comfortably with one hand and does not affect signal interference.
