Fast charger Foneng 1x USB EU38 + USB Lightning cable

Fast charger Foneng 1x USB EU38 + USB Lightning cable

The Foneng EU38 network charger will allow you to renew your device's power quickly and safely. It works with fast charging protocols and is equipped with a number of safety features. What's more, it's compact, so it won't take up much space. It also comes with a USB-C to Lightning cable.

Fast and secure charging

The Foneng EU38 supports the PD 20W fast charging protocol, which allows the device to renew its energy up to 55% in about 30 minutes. Moreover, the use of ABS and PC V0 plastics translates into safe use. In addition, compatibility with a voltage range of 100-240V allows you to use it wherever you are.
