Foneng T210 USB Wall Charger 1x USB 25W, 2.1A + USB to USB-C Cable (White)

Ref: 6970462513889

Foneng T210 wall charger

Don't let your smartphone discharge at an inopportune moment and always have a Foneng charger on hand! The T210 will renew your device's power in no time. The charger is distinguished by its 5V/2.1A output power, and thanks to its numerous safety features, it guarantees total safety of use. The product is made of durable materials such as ABS, making it resistant to damage. A USB-C cable is included in the set.

Fast and safe charging

Forget about the long wait until your smartphone is charged. The T210 offers 5V/2.1A output power, so it will quickly renew your phone's energy. What's more, the charger provides protection against overcharging, overvoltage and overheating, and on top of that, it automatically adjusts the power to the connected device. So you can drop any worries about the safety of your smartphone.

Compact size

Stow the T210 in your bag and charge your smartphone anywhere. The dimensions of the Foneng charger are just 42 x 81 x 23 mm, so you can easily fit it even in your pocket! What's more, the product is made of durable ABS material - so it's sturdy and will serve you for a long time.
