Ref: 6970462515975

In-ear headphones, wired Foneng T34, mini jack 3.5mm, remote control (white)

Foneng T34 3D music headphones (white)

Hear even more with Foneng headphones. The T34 provide stereo sound, powerful bass, feature an ergonomic design and come with a high-end HD microphone. Their cable is 1.2 meters long and features a 3.5mm mini jack connector. A remote control integrated into the cable allows convenient operation.

Realistic sound

Take your musical experience to a whole new level and delight in the stereo sound and powerful bass that the T34 headphones guarantee. With the Foneng product, you'll discover your favorite songs all over again!

High-quality microphone

The T34 headphones feature a high-end microphone with high sensitivity, so you don't have to worry about unnecessary background noise. Conveniently make phone calls anywhere!

Integrated remote control

No longer do you have to reach for your smartphone to answer an incoming call, change a song, pause or resume playback or adjust the volume. Foneng headphones have a remote control integrated into the cord for convenient operation.

Ergonomic design

Every effort has been made to make the use of Foneng headphones comfortable. The T34 fit perfectly in your ears without causing uncomfortable pressure. The 1.2-meter long cable ensures freedom of movement.
