Ref: 6970462517351

Foneng T61 USB-C wired headphones (white)

Take your music experience to a whole new level. Foneng's T61 wired headphones deliver high-quality sound and offer an HD microphone. They are compatible with all smartphones that have a USB-C port, and are incredibly comfortable to use thanks to their ergonomic design. The remote control integrated into the cable allows for convenient operation.

Feel like you're at a concert

With Foneng headphones you will turn any place into a concert hall. The T61 guarantee richly detailed and natural sound, so you'll rediscover the songs of your favorite artists.

High-quality microphone

Make phone calls without any distractions. Foneng headphones offer an HD microphone that will accurately record your voice. You can rest assured that your caller will always hear you!

Remote control

Enjoy convenient operation. Integrated into the headphone cable, the remote control will allow you to adjust the volume or change the song without reaching for your smartphone.

Ergonomic design

Enjoy your Foneng headphones without limitations. The T61 features an ergonomic design and fits perfectly in your ears, so you can listen to music for hours without discomfort.
