

Cable / Adapter USB do USB 3.0 XO NB220, 2m (black)

Ref: 6920680829804

Cable / Adapter USB do USB 3.0 XO NB220, 2m (black)

USB to USB 3.0 XO 2m cable / adapter (black)

The USB port extension cable allows convenient and lightning-fast data transmission. The product is compatible with most devices, and thanks to modern solutions guarantees transmission speeds of up to 5GB/s.

Convenient use of the USB port

The USB port extender is a convenient solution for computer work or entertainment. Its use will allow you to conveniently connect a flash drive to a TV, for example, without having to search in the dark for an interface. The 2-meter cable provides full freedom of use.

High quality workmanship

The product is suitable for use with a variety of devices and provides instant transmission without interference. It stands out for its high durability, and thanks to its reinforced ends it is resistant to bending, so it will surely serve you for a long time.
