Car rearview mirror multifunctional rotatable Holder XO C107 (black)

Car holder for rear view mirror XO C107 (black)

With the XO C107 car holder, you can safely use your navigation without losing sight of the road. It allows 360° adjustment and its arms hold your smartphone stably in one position. It is suitable for various phone models and rear view mirrors.

Tailored to your needs

The C107 offers a 360° adjustment function, so you can easily adjust the right viewing angle and position of your smartphone to suit your needs and preferences. Thanks to the handle's carefully considered design, you can comfortably operate your phone with one hand. You also don't have to worry about the holder falling off when driving on a bumpy road - it provides reliable stability and security for your device.
