Dareu EH469 USB RGB gaming headphones (pink)

With Dareu EH469 you will accurately determine the position of your opponents and enjoy long hours of exciting gameplay. These state-of-the-art gaming headphones guarantee excellent sound quality and unparalleled comfort - they weigh only 280g (not including the cable). In addition, the bendable microphone will allow you to talk freely with other players, and the RGB backlighting gives the device an incredibly stylish touch.

Hear every rival perfectly

The headphones provide audio at the highest level. Amplified bass and crystal clear sound - the perfect combination for any gamer. Hear the footsteps of incoming opponents and instantly respond to their every move - your rivals will never surprise you again!

Timeless gaming design

Colorful RGB backlighting makes the headphones stand out with a modern, gaming flair. 16.87 million colors will delight everyone! However, this is not the end of the advantages of the EH469. The headphones are incredibly lightweight and comfortable, with soft ear cups made of skin-friendly materials that fit perfectly in your ears. So you can play for hours without worrying about discomfort.
