Smartwatch Sport M20 XO (silver)

Take care of your health and fitness with the Sport M20 XO smartwatch! The smartwatch offers a range of features to help you monitor your health, including monitoring your heart rate, sleep and blood oxygen levels. It provides up to 5 days of operation and is equipped with a large 1.86" HD display for easy operation. The device will also inform you of incoming messages, help you find your phone or take photos. Also noteworthy is the built-in AI voice assistant, as well as the IP67 waterproof design.

Large display

A large HD display with a diagonal of 1.86" and a resolution of 240 x 280 allows you to operate the smartwatch comfortably. In addition, you can easily adjust the appearance of the screen to your preferences by choosing from the available themes. In addition, the watch automatically pins your most frequently used apps to the shortcut bar, giving you even faster access to its favorite functions.

Your daily assistant

The Sport M20 smartwatch is equipped with an AI intelligent voice assistant that will answer all your questions, turn on music on your smartphone or call the person of your choice. However, that's not all it has to offer! With the smartwatch, you can also conveniently control the camera - just shake your wrist to take a picture! You can also use the find phone function.

### Monitor the state of your health

Keep an eye on the changes taking place in your body! The smartwatch offers the function of tracking your heart rate, as well as blood oxygen levels. This allows you to monitor your health in real time and react instantly to any worrying changes. Sleep monitoring is also at your disposal, which will help you improve the quality of your sleep. The device will also remind you to move, after sitting for a long time.

### Even more conveniences

Now you can be sure that you won't miss any important message! When you connect your smartwatch to your phone via Bluetooth, you will instantly receive all notifications of incoming calls, messages and notifications from your social media! In addition, you can also freely make phone calls or use the calculator.

### Rugged and waterproof

The M20 smartwatch is perfect for everyday activities. Its comfortable design will provide you with unparalleled comfort on a daily basis, and it will be an interesting addition to any style. It is also distinguished by its IP67 water resistance rating - so you can use the smartwatch while working out, swimming or washing your hands without worry. It provides up to 5 days of operation, and you can easily charge it with the magnetic charging cable if necessary. In addition, the device's memory is 64 MB.
