USB-C to USB-C + Jack 3.5mm audio adapter XO NBR160B (black)

Listen to music and charge your phone at the same time! The XO audio adapter is a useful accessory for smartphones that do not have a headphone input. The device offers two ports - USB-C and a 3.5mm jack. This allows you to freely charge your phone and play your favorite music on headphones. The product is also distinguished by its small and extremely lightweight design, so you can carry it with you at all times.
