

Mini car charger with Lightning Cable XO TZ08 (black)

Ref: 6920680863181

Mini car charger with Lightning Cable XO TZ08 (black)

XO TZ08 mini car charger with Lightning cable (black)

The XO TZ08 mini car charger offers 2 USB-A ports and allows you to quickly charge your device. It features a compact design, so it won't take up much space and won't be conspicuous. In addition, its solid construction ensures durability and resistance to damage. You will also find a USB-A to Lightning cable included.

Fast and safe charging

The XO TZ08 allows you to charge 2 devices simultaneously thanks to its USB-A ports. What's more, it offers protection against short circuit, over-discharge, over-charging, overheating and electromagnetic field. So you can be sure that your device is safe.

Compact and durable

The mini car charger features a minimalist and compact design, so it will fit perfectly into the interior of your car and won't take up much space. Meanwhile, the use of PC plastic translates into durability and resistance to damage.
