Orico 4in1 Adapter Hub 4x USB 3.0 + USB 3.0 cable (100cm)
Orico 4in1 Adapter Hub 4x USB 3.0 + USB 3.0 cable (100cm)

Ref: 6936761867498

Compact and versatile
Make your work easier and more efficient. Simple yet intuitive design allows you to mount the HUB on the monitor, desk or any other place, which will be convenient for us and improve everyday work. This solution is ideal when you do not have too much space on your desk, but still want to connect a few pendrives or accessories. USB 3.0 interface is responsible for fast data transfer, with speed up to 5Gb/s. The materials from which the adapter was made protect against damage and overheating.

Four USB 3.0 ports
Work efficiently and respond to commands at lightning speed. The 3.0 interface is up to ten times faster than the previous 2.0 version and transfers data at up to 5Gb/s. Do not limit your possibilities and bet on speed.

Multitasking
The USB ports allow you to support almost any system or device. Just plug in the right cable, or insert the right device, and start working. Charging phones? Ripping videos from a flash drive? Employee data? Or maybe files transferred from an old phone? You can do it all with one device.

Easy installation

Mobilemax - Gadgets and Accessories
Rua Vasco da Gama n61, 8005-411, Estoi - Faro, Portugal
(Continente)
