Monitor UTOUR C2M

Ref: 0735749192883

Monitor for UTOUR C2M video recorder

Connect your UTOUR C2M video recorder with a dedicated monitor to get a dynamic real-time 3D view of road conditions. The 2.4" screen guarantees a clear, bright image and provides convenient access to key information. You can also switch between two display modes - Real footage or 3D.
