Phone stand with charger holder for iPhone 12 Omoton MS02 (silver)

Now you can use your iPhone even more conveniently while charging. The Omoton MS02 cradle is equipped with a practical MagSafe charger holder - once mounted, simply place your phone on it! The product is distinguished by its foldable design, which makes it much easier to transport if necessary, and you can also adjust its tilt up to 270°. The accessory is also extremely robust.

Comfortable to use

Watching videos and taking notes has never been more convenient. Simply place the MagSafe charger on the cradle and then attach your smartphone to it. Alternatively, you can place your phone in any position - horizontally or vertically, for example. This makes the accessory perfect for a variety of applications! Please note: the cradle is only compatible with the original Apple MagSafe charger.

Always close at hand

The accessory is extremely lightweight and handy - so you can carry it with you at all times. It also features a foldable design. When it's folded up, it takes up so little space that it fits easily into your handbag or backpack. So you can comfortably use your smartphone wherever you go!

Tailored to your needs

The stand is equipped with double hinges that allow you to adjust its tilt up to 270°. So you can easily adjust it to suit your needs and position it to look at your iPhone screen at the optimum angle! As a result, you can comfortably watch a movie, play a mobile game or take part in a video conference.

Robust construction

A high quality aluminium alloy has been used to make the stand. This makes the accessory extremely stable and wobble-free. You don't have to worry about your iPhone falling and being damaged! What's more, the silicone pads protect the MagSafe charger and your phone from scratches.
