Earphones TWS 1MORE Comfobuds 2 (black)

1MORE ComfoBuds 2 headphones (black)

Opt for functionality, comfort and style with 1MORE. The ComfoBuds 2 headphones feature dynamic 13.4mm drivers that will make you fall in love with music all over again. Dual microphones with ENC noise cancellation allow you to talk freely. The hardware offers a gaming mode and provides low latency. Thanks to Bluetooth 5.2, you will enjoy stable transmission. The working time of the headphones reaches up to 24 hours on a single charge. Touch panels allow convenient operation, and thanks to IPX5 water resistance you can listen to your favorite tunes in almost any circumstances.

Sound that will delight you

Let your favorite songs awaken a whole new emotion in you. The 1MORE headphones are distinguished by 13.4-millimeter dynamic drivers with LCP composite diaphragm, which guarantee clear and natural sound without missing any details - from vocals to guitar sound to powerful bass.

EQ settings

Customize the performance of the 1MORE headphones to your liking by making changes to the EQ settings. There will be as many as 12 options at your disposal, which you can access via the 1MORE MUSIC App. Whether you love rock, hip-hop, classical or electronic music,

you're sure to find something to your liking!

The ultimate in comfort

ComfoBuds 2 headphones are a guarantee of comfort. The carefully considered design makes them fit perfectly in the ears. The weight of one earphone is only 4.3 g. Replaceable silicone pads provide all-day comfort and an effective seal, so you can enjoy maximum sound quality. What's more, the UV coating on the charging case keeps the product looking neat and resists fingerprint marks.

Stable connection

Thanks to Bluetooth 5.2 technology, you can enjoy a stable, fast and smooth connection. The ComfoBuds 2 headphones automatically connect to your last paired device when you remove them from the charging case. Experience how convenient it is!

Gaming mode

No longer will anything stand in your way of achieving the victory you desire. Choose the gaming mode in the 1MORE MUSIC App and get a latency of 100 ms while playing games. Experience how much more enjoyable gameplay is when sound and video are properly synchronized.

High-quality microphones

Conduct phone calls without interference. ComfoBuds 2 headphones offer up to four microphones that support ENC noise cancellation. As a result, they effectively filter out unnecessary background noise and accurately record your voice. Now you can talk comfortably, even in an extremely crowded place.

Up to 24 hours of operation

Do you want your favorite songs to accompany you from morning to evening? With ComfoBuds 2 it's possible! One charge is enough to keep the headphones running for 6 hours. The charging case allows you to extend this time by 18 hours, for a total of up to 24 hours. 15 minutes of renewed energy is enough to gain an additional 3 hours of playback.

Thoughtful solutions

The ComfoBuds 2 are IPX5 waterproof, so they can keep you company even on rainy days. When you take the headphones out of your ears, music playback will automatically pause until you put them back in. The touchpads allow you to conveniently control the music player, manage incoming calls and activate the voice assistant without having to reach for your phone.
