Neckband Earphones 1MORE Omthing airfree lace (red)

1MORE Omthing Airfree Lace (red) wired in-ear headphones

Ensure your comfort while listening to music. The 1MORE Airfree Lace headphones feature 10-millimeter drivers to deliver an even better music experience. You can easily connect them to the device of your choice thanks to Bluetooth 5.0 connectivity, and the powerful battery provides up to 12 hours of use. The built-in remote control will make it easy to operate the headphones. The carefully considered design guarantees unparalleled comfort.

High quality sound

Discover better sound quality with 1MORE. The headphones are equipped with dynamic 10mm drivers that provide excellent sound quality. This allows you to immerse yourself in a world of crystal clear, crisp sounds and deep, rich bass. Now you don't even have to leave your own room to feel like you're at a concert of your favorite band!

Long runtime

Forget about limitations and listen to music as long as you want! With a built-in 160 mAh battery, the headphones can run continuously for up to 12 hours. This means you don't have to worry about the headphones unexpectedly discharging during a long train trip, for example.

Even easier to use

You no longer have to reach for the phone every time to answer a call or change a song! The remote control integrated into the cable will make it easier for you to operate the headphones. Using it, you can freely manage calls, change songs, adjust the volume or activate the voice assistant - just by pressing the appropriate button. Now you have all the most important functions at your fingertips!

Bluetooth technology

Worried about interference or delays? With Airfree Lace you don't have to worry about anything! The headphones use Bluetooth 5.0, which guarantees a stable and fast connection with the selected device up to 10 meters. Pairing the headphones is extremely easy and will not be a problem for you at all.

With convenience in mind

1MORE has designed the headphones to provide maximum comfort. The AirFree Lance model fit perfectly in your ears and won't fall out. You can easily use them even for several hours without worrying about discomfort. Soft and safe silicone was used for the strap, which does not irritate the skin. They are also distinguished by IPX4 water resistance, so they are not intimidated by drops of rain or sweat. Also noteworthy is the modern, stylish design, which makes the headphones an interesting addition to everyday styling.
