

Cable USB LDNIO LS572 type-C, 2.1 A, length: 2m

Ref: 5905316144040

Cable USB LDNIO LS572 type-C, 2.1 A, length: 2m

LDNIO LS572 USB cable type C, 2.1 A, length: 2m

The LDNIO LS572 USB-A to USB-C cable will allow you to quickly transfer files and charge devices with up to 2.1 A. It has been made from high-quality materials, making it extremely robust and resistant to damage. In addition, the colourful details give the product a stylish, modern feel.

Fast charging

Forget about waiting a long time for your phone to be charged. The LS572 cable allows fast charging with up to 2.1 A. This means it can renew the energy of your chosen devices in the blink of an eye. With LDNIO, you will save time! What's more, the built-in smart chip guarantees safe use and high performance.

Instant file transfer

Do you frequently transfer files between devices? The LS572 cable will help you do that too! The product provides transmission speeds of up to 480 Mbps. This way, you don't have to wait too long until all the photos, videos, documents and music you need are at their destination!

Improved design

The cable has been made from environmentally friendly materials such as PVC. This makes it extremely durable and resistant to wear and tear. It is also unafraid of being pulled or bent. You don't have to worry about the cable getting tangled either - storing and transporting it won't cause you any problems.
