

## Fast Charging Data Cable LDNIO LS601 micro, 30W

Ref: 5905316144170

Fast Charging Data Cable LDNIO LS601 micro, 30W

LDNIO LS601 micro fast charging cable, 30W

Gain the ability to charge your devices even faster. The LDNIO LS601 USB-A to micro USB cable stands out with up to 30 W of power, making it extremely powerful. It also allows you to transfer files at speeds of up to 480 Mbps and is extremely robust - it will serve you perfectly for a long time!

### Fast charging

About to leave the house and just realised you forgot to plug your phone in to charge? With LDNIO, this is no longer a problem - the LS601 cable provides up to 30 W of power, which means it can instantly renew the energy of your chosen devices. Forget the long wait and save time!

### Impressive durability

Durable and environmentally friendly materials such as TPE have been used to make the cable. This makes the product resistant to damage, bending and wear. What's more, its connectors are extremely low in oxidation. The LS601 is also significantly thicker than standard cables, which translates into greater durability.

### Transfer files in no time

Do you often transfer photos or videos between devices? The LS601 cable will help you speed up the process! You can use it to copy files at speeds of up to 480 Mbps. This means you don't need much time to get the images or documents you need to your destination.
