

Cable USB-C Remax Wanbo II, 60W, 29cm (black)

Ref: 6954851242093

Cable USB-C Remax Wanbo II, 60W, 29cm (black)

Remax Wanbo II USB-C cable, 60W, 29 cm (black)

The Remax Wanbo II is a USB-C cable with a set of terminals with micro USB, Lightning and USB-A ports. The package also includes a place to store a memory card and SIM card and a key to remove it from the phone. Everything is enclosed in a practical case, so you can always have the most important accessories at hand and avoid losing them.

Fast charging cable

Included in the package you will find a USB-C to USB-C cable, which will allow you to quickly renew your energy with 60 watts of power. What's more, the micro USB, Lightning and USB-A connectors allow you to charge different types of devices for greater freedom of use. With the Remax Wanbo II, you will prepare your smartphone, laptop, tablet, etc. for further use.

Convenient storage

The practical case provides convenient storage not only for the cable and additional connectors, but also for other accessories. You will successfully place the SD card and SIM card in it. In addition, the set includes a key that will make it easier to place and remove the SIM card in the phone. What's more, you can easily open the case, and its lightweight and compact design makes it easy to store.
