

Filter 1-5 stop Freewell Sherpa True Color VND for the iPhone

Ref: 6972971860119

Filter 1-5 stop Freewell Sherpa True Color VND for the iPhone 13 / iPhone 14

Freewell Sherpa True Color VND 1-5 Stop Filter for iPhone 15 Pro/Max, iPhone 14 Pro/Max, iPhone 13 Pro/Max

Designed for Sherpa series cases, Freewell's True Color Variable ND 1-5 Stop filter provides exposure reduction from 1 to 5 stops, allowing for wider aperture settings to achieve shallower depth of field or motion blur. To change the effect, simply rotate the filter ring. This filter accurately reproduces colors with True Color technology while remaining resistant to dust, scratches, and oily smudges.

Use with Sherpa Case

If you're using a Sherpa case, this filter is for you! It's compatible with cases tailored for iPhone 15 Pro/Max, iPhone 14 Pro/Max, iPhone 13 Pro/Max, and attaches magnetically. This allows you to quickly mount or swap out filters and experiment with interesting effects for your photos.

Protective Coating

Made from top-quality materials, the filter features a special protective coating that doesn't affect the color optics of your materials. It's resistant to dust and scratches as well as fingerprints and oily smudges, making maintenance hassle-free. Meanwhile, it ensures the best image quality and maintains a neutral color scheme, resulting in stunning photos!

Included in the Set
