

## Polarizing filter Freewell for GoPro HERO 9/10/11/12

Ref: 6972971860867

Polarizing filter Freewell for GoPro HERO11/HERO10/HERO9

Freewell polarising filter for GoPro HERO 9/10/11/12

The Freewell Polarising Filter has been specifically designed for the GoPro HERO 9/10/11/12 camera, allowing you to reduce unwanted light reflections from water or other surfaces for more natural colours, deeper contrast and clearer details. It uses high quality optical glass that is scratch and dust resistant.
