

Memory card Goodram microSD 128GB (M1AA-1280R12)

Ref: 5908267930168

Memory card Goodram microSD 128GB (M1AA-1280R12)

Application

MicroCARD memory cards with UHS-I interface are ideal for the most modern devices. Super fast UHS-I interface will allow you to take full advantage of the advantages of modern smartphones and tablets, and the included M1AA adapter will allow you to use the micro card also in other devices with SD card slot. Thanks to the UHS-I speed class, the GOODRAM card allows you to capture the perfect shot on any device - no matter if it is a sports camera, smartphone or other device equipped with a microSD card slot.
