

Cable USB 3in1 Remax Kerolla, 1m (black)

Cable USB 3in1 Remax Kerolla, 1m (black)

Ref: 6954851293101

Remax Kerolla 3in1 USB cable, 1 m (black)

The Remax Kerolla 3in1 USB cable is a reliable accessory that allows you to charge different devices! It features 3 different connectors - Lightning, Micro USB and USB-C. It also allows data transmission at speeds of up to 480 Mbps. High-quality material has been used to make it, so it will serve you well for a long time.

Fast charging for your device

Now you can renew your device's energy in the blink of an eye! The Remax Kerolla cable allows you to quickly charge your device. Thanks to the latest technology, the cable allows you to charge at 2.4A. In this way, in just a few moments your smartphone or tablet will be fully charged and ready to go again!

Hassle-free data transmission

The Remax cable allows not only fast charging, but also fast data transmission. The Lightning connector allows data transfer speeds of up to 480 Mbps. This means that you can conveniently transfer your files between devices in just a few minutes.

One cable for multiple devices

Don't waste time waiting for your device to be charged to connect another - now you can conveniently charge multiple devices at the

same time! The cable features 3 connectors - Lightning, Micro USB and USB-C. This means you don't have to have multiple cables to charge your smartphone, tablet or other devices that have different charging ports.
