Remax Suji Pro USB Lightning Cable, 1m (black)

The Remax Suji Pro Lightning cable uses a current of 2.4A, so it will quickly renew your device's power. You will also use it to transfer files at 480 Mbps. What's more, the use of PVC plastic translates into the product's durability and resistance to wear and tear. In turn, the smart chip is responsible for stable charging, protecting your equipment from damage.
