Ref: 6954851223207

Cable USB-C do USB-C Remax Raython, 1,2m, 65W

Remax Raython USB-C to USB-C cable, 1.2m, 65W

Find out that charging your smartphone doesn't have to take a long time! The Remax Raython cable offers fast charging with up to 65 watts of power and data transmission at 480 Mbps. It will be perfect for renewing the energy of many devices, including smartphones, tablets, Nintendo Switch consoles and laptops. Thanks to its carefully considered design, you can always have it at your fingertips.

Fast charging and data transmission

No more wasting time waiting for your phone to be ready for use again! The cable allows fast charging with a maximum power of up to 65W. This will renew the energy of not only your smartphone, but also your laptop in just a few moments! Remax Raython also allows you to transfer files at 480 Mbps.

Robust and durable construction

The Remax cable is made of durable ABS material, so it is extremely durable and resistant to mechanical damage - it will certainly serve you well for a long time. Thanks to its well-thought-out design, you can conveniently attach it, for example, to your bag or backpack and take it with you anywhere!
