Ref: 6941788869165

Adapter Hub 4in1 Orico USB A3.0x2 + Type-C3.0x1 + PD100Wx1

Orico USB A3.0x2 + Type-C3.0x1 + PD100Wx1 4-in-1 Hub Adapter

Does your computer or laptop have an insufficient number of ports? With Orico you can easily solve this problem! The adapter is equipped with several different sockets such as USB3.0, Type-C3.0 or PD100W input. It allows for fast data transfer. What's more, thanks to its well-thought-out design, it will be very durable and resistant to wear and tear.

Many possibilities

Orico's adapter was created with comfort in mind, so it comes with several different ports such as USB3.0, Type-C3.0 or PD100W. This gives you more options for using different devices. What's more, they guarantee increased data transfer speeds. Instant copying of files or using other devices without delays is now possible!

Comfort of use

Orico has four ports that can be used simultaneously, so it will meet all your needs. No matter how many devices you connect to it, the device is up to the challenge. What's more, the Orico adapter can handle two 2.5-inch 1T hard drives without the need for an additional power supply. This means more convenience and less clutter on your desk.

Great compatibility

Orico adapter is a guarantee of comfortable work. It works with a wide range of devices, such as a USB flash drive, USB lamp, printer, mouse, portable hard drive, camera and more. Plus, with comprehensive compatibility with Windows, Mac OS and Linux OS, you get a universal solution.
