

Wireless +2.4 G Vertical Mouse Delux M618G DB

Wireless +2.4 G Vertical Mouse Delux M618G DB

Ref: 6938820408833

Delux M618G DB + BT wireless vertical mouse

Looking for a computer mouse that will make your daily work easier? The Delux M618G DB vertical mouse is sure to meet your expectations! The ergonomic design in the shape of a snail shell with a special wrist rest will provide dreamlike comfort while working. The mouse offers 2 ways of connection and adjustable DPI in the range of 800-1600.

High precision

Now you can easily adjust the mouse's performance to your preferences. The Delux M618G DB allows you to adjust the speed up to 1600 DPI - just press the dedicated button. This makes the mouse perfect for both everyday computer work and gaming.

Various ways to connect

Connect the Delux mouse the way you are comfortable! You can connect the M618G DB to the device of your choice in 2 ways - via Bluetooth or 2.4G bandwidth. This way you can enjoy a stable and fast connection without worrying about interference.

Comfort of use

The M618G DB mouse is designed to provide maximum comfort during daily computer work. The specially designed snail shell-shaped design relieves stress on the muscles and joints in the wrist area. You no longer have to worry about persistent wrist pain or feeling tired!

What's more, the mouse is covered with a non-slip material that guarantees a firm grip and increases control.
