

## Ergonomic Keyboard Delux GM901U Hub (grey)

Ergonomic Keyboard Delux GM901U Hub (grey)

Ref: 6938820413462

Delux wired ergonomic keyboard GM901U Hub (grey)

Spend a lot of time at the computer? Take care of your health and comfort! The Delux GM901U keyboard features an ergonomic design for the comfort you dream of. It is equipped with 107 keys and a special palm rest. It also has practical function keys and 2 USB passthrough sockets.

Designed for your comfort

Enjoy unparalleled comfort even when working on your computer for long periods of time. The GM901U keyboard features an ergonomic, curved shape, and has a built-in palm rest that is created with an extremely tactile material. All this makes it possible to maintain a more natural typing posture and provides excellent support for the wrists.

Ideal for sitting and standing.

What else makes the GM901U keyboard so versatile and comfortable to use? The product is equipped with front and rear legs that allow you to optimally adjust its height and angle. This means it's ideal for both sitting and standing work. Position it as you need and enjoy even more comfort!

More possibilities

The advantages don't end there! The keyboard is equipped with 2 USB passthrough ports, which you can use in many ways. You can connect a mouse or other accessories to make your work easier. You can also use it to charge various devices or transfer data. Your possibilities are almost limitless!

#### Comfortable working

The GM901U keyboard is equipped with 107 keys with a lifespan of up to 8 million key presses. They are extremely durable yet quiet. They also ensure smooth operation and fast response times. What's more, the special function keys make it easy for you to operate the media player or adjust the volume.
