Joyroom magnetic phone holder JR-Mag-M2 (purple)

The Joyroom magnetic phone holder will greatly increase your comfort when using your smartphone! The lightweight gadget will perfectly adhere to your device, but will not increase its size. What's more, it stands out for its multifunctionality, as it can be used as a stand or a car holder plate. In addition, with its minimalist design, it will fit perfectly with your phone.

Comfort of use

The Joyroom magnetic holder is distinguished by its comfort of use. You can easily detach and attach it to your phone without leaving sticky residue on it. In addition, you can adjust it any way you like with the rotating ring and adjustable base.

Functional

The Joyroom phone holder is a gadget that you can use in a number of ways, including as a stand or car holder plate. What's more, it's made of durable plastic for comfort and a non-slip grip.

Safety

You don't have to worry about accidentally detaching the holder from your phone, as it will hold a weight of 1200g! In addition, the plastic material is scratch-resistant and safe for your smartphone, as it won't leave sticky marks on it thanks to its magnetic feature.
