

Air Fryer Princess XXL 5.5 L

Air Fryer Princess XXL 5.5 L

Ref: 8713016103598

Princess XXL 5.5 L non-fat fryer

Prepare a variety of healthy meals in no time. The Princess fat-free fryer uses hot air and features a 5.5-liter capacity, making it perfect for families with several people. It supports up to 8 programs, including a frying function. It can adjust the temperature up to 200°C and offers a power output of up to 1,700 watts. It also has a built-in display and indicator light. Thanks to its well-thought-out design, using the device is simple and safe.

A variety of healthy meals

The Princess non-fat fryer uses hot air circulation, so you can easily and quickly prepare healthy meals that will delight even the most demanding family members. The device is distinguished by its 1,700 watts of power and supports up to 8 modes, including a fry function, which gives you the opportunity to prepare a variety of dishes such as French fries, chicken, fish and vegetables. Awaken your creativity, mix ingredients and surprise others with your dishes!

User-friendly

Operating the Princess deep fryer will not give you any trouble. The built-in display, indicator light and digital timer allow you to easily monitor the cooking process. What's more, you'll hear a distinctive beep when the device finishes operation. The fryer is also equipped with an adjustable thermostat that allows you to set the temperature up to 200°C. What's more, its capacity is as much as 5.5 liters, so

you can quickly cook meals for as many as 7 people.

Safety and convenience of use

Care has been taken to ensure that it is completely safe to use the Princess appliance. The fryer automatically shuts off after a certain action or after a prolonged period of inactivity. It is equipped with a non-heating handle, eliminating the risk of burns. Non-slip feet provide stability, and the removable bowl allows convenient cleaning. In addition, the surface of the device is coated to prevent food from sticking during cooking.
