

Cable USB-C do USB-C Remax Marlik, 1m, 100W (white)

Ref: 6972174158624

Cable USB-C do USB-C Remax Marlik, 1m, 100W (white)

Cable USB-C do USB-C Remax Marlik, 1m, 100W (white)

The Remax Marlik is a versatile cable that enables fast PD and QC3.0 charging while featuring a robust design. It allows you to transfer files at speeds of up to 480 Mbps and provides up to 100W of power, making it great for laptops too. You'll also find a practical Velcro fastener included.

Fast PD and QC3.0 charging

The Remax Marlik cable supports the PD and QC3.0 standards and can charge devices with up to 100 W and 5 A. What's more, a smart chip in the cable ensures the safety of the equipment being charged. It regulates the charging parameters, adapting them to the requirements of the connected devices.

Transfer files at speeds of up to 480 Mbps

Don't wait too long for your files to reach their destination. The Remax Marlik cable allows you to transfer photos or videos at speeds of up to 480 Mbps. A great convenience for people who frequently copy data between devices!
