

Cable USB-C do USB-C Remax Marlik, 2m, 100W (white)

Ref: 6954851205906

Cable USB-C do USB-C Remax Marlik, 2m, 100W (white)

Remax Marlik USB-C to USB-C cable, 2m, 100W (white)

The Remax Marlik cable features a high power output of up to 100 W and a data transfer speed of up to 480 Mbps. It is made of TPE plastic, which ensures durability and resistance to mechanical damage. What's more, the length of 2 m allows devices to be connected freely without too much restriction of movement.

Power of up to 100 W, transmission speed of up to 480 Mbps

The Remax Marlik is a cable that enables fast charging and provides up to 100 W of power. This allows users to charge devices such as smartphones and tablets in no time! What's more, the fast data transmission (up to 480 Mbps) allows you to work efficiently and save time. Now you can transfer files such as videos or graphics in the blink of an eye!

Resistant to damage

The cable has been created from high-quality TPE plastic, which provides it with unparalleled durability. It is extremely robust and resistant to abrasion or breakage. So you can be sure that it will withstand intensive use and will serve you well for a long time! In addition, the 2 m length allows you to enjoy greater freedom when using the devices you are charging.
