Cable USB-C Remax Lesu Pro, 1m, 5A (black)

The Remax Lesu Pro is a cable that enables efficient charging and file transfer. It provides up to 5A and transmission speeds of up to 480 Mbps. Now you can copy photos or videos in no time - it takes about 3 seconds to transfer 1 GB of files! The product is also highly durable.

Safety and charging stability

The cable has a built-in intelligent chip that ensures safe and stable charging. It is also responsible for automatically adjusting the selected parameters and adapting them to the requirements of the connected equipment. What's more, the product supports up to 5 A, so it can charge your devices in a very short time.

Damage-resistant

The cable is made of high-grade TPE material, which ensures its durability and resistance to damage. Do not be afraid of abrasion, twisting or bending! The most sensitive parts of the product are also reinforced. In addition, thanks to its length of 1 m, you can use the devices you are charging comfortably.
