

## Cable USB-C do Lightning Remax Lesu Pro, 1m (black)

Ref: 6954851243250

Cable USB-C do Lightning Remax Lesu Pro, 1m (black)

Cable USB-C do Lightning Remax Lesu Pro, 1m (black)

The Remax Lesu Pro is a practical 1 m long cable that supports PD 20 W fast charging and can transfer files at speeds of up to 480 Mbps. It is equipped with a smart chip so that it automatically adjusts its operation to suit the requirements of the connected device. It is also highly durable.

### Fast charging and file transfer

The cable allows you to quickly charge your devices with a maximum power of 20 W. It supports the PD standard, so you can charge your phone in no time. What's more, the Remax Lesu Pro offers data transfer speeds of up to 480 Mbps, allowing you to conveniently transfer files between devices. Now you'll be copying your photos or videos in no time - no need to waste time with prolonged waiting!

### Clever design

The product is made of durable TPE material, so you can enjoy a long service life. The most vulnerable parts of the cable have been additionally protected to increase their durability. The Lesu Pro model also features a 1m length, allowing you to comfortably use the devices connected to it.
