USB-C cable + connector set Remax Wanbo, 25cm, 60W (blue)

Do you use devices with different ports? You don't need to buy several cables anymore - all you need is the Remax Wanbo kit! It contains a USB-C to USB-C cable and 3 connectors - micro USB, lightning and USB-A. Interchange them freely and adapt the product to your needs! What's more, the USB-C cable provides up to 60 W of charging power. All components of the kit are contained in a practical box.

Fast charging, fast file transfer

The included USB-C cable offers up to 60 W of power, so you can charge your devices in no time. No more prolonged waiting! What's more, the cable allows you to transfer files at speeds of up to 480 Mbps. So you can copy all the photos, videos or documents you need in no time. This is ideal for graphic designers, photographers and more!

Wide compatibility

You don't have to use more cables anymore. All you need is a Wanbo kit! Want to charge your Android smartphone? Use the USB-C cable. Need to charge your iPhone? Reach for the lightning connector. Or maybe you need to power up your desk fan? Use the micro USB connector. With Remax, you don't have to limit yourself!

With your convenience in mind

All cables and connectors are contained in a practical little box for convenient storage and transportation. Simply pack them in your handbag or backpack! Special compartments make it easier for you to keep everything tidy and also allow you to take a small memory card with you, for example. The box can also be used as a phone stand. The set also includes a key for removing the SIM card.
