Cable USB-C-lightning Remax Chaining, RC-198i, 1m, 30W (white)

Ref: 6954851255833

Cable USB-C-lightning Remax Chaining, RC-198i, 1m, 30W (white)

Remax Chaining is a 1-metre cable, made of durable TPE plastic for durability and resistance to mechanical damage. The product offers transmission speeds of up to 480 Mbps and a maximum charging power of 20W. So you can transfer large files quickly and charge your devices in no time!

### PD 20 W fast charging

The cable offers up to 20 W of power and supports the PD standard, making it ideal for those who value the speed of charging their devices. Now you can charge your iPhone in the blink of an eye! An additional advantage of the product is the intelligent chip that keeps the current stable and protects the charged equipment from damage.

### Transfer files even faster

The Remax Chaining cable offers transmission speeds of up to 480 Mbps, allowing you to transfer files between devices quickly and seamlessly. This solution is not only convenient, but also saves time! You no longer have to wait too long for your photos, videos or documents to reach their destination.
